ATTACHMENT D – ILCA 7: Qualifying & Final Series Format

D1. INTRODUCTION

D1.1 This addendum applies when boats are divided into fleets to sail a qualifying series and a final series.

D2. QUALIFYING SERIES

D2.1 For the qualifying series boats will be assigned to 2 fleets of, as near as possible, equal size and ability.

D2.2 Initial assignments will be made by a seeding committee appointed by the organizing authority and will be posted by 2000 on the last day of registration.

D2.3 In the qualifying series boats will be reassigned to fleets after each day of racing, except if only the first race of the event is completed. If all fleets have completed the same number of races, boats will be reassigned based on their ranks in the series. If all fleets have not completed the same number of races the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets.

D2.4 Reassignments will be made as follows:

Rank in Series	Fleet Assignment
1st	1
2nd	2
3rd	2
4th	1
5th	1
6th	2
7th	2
8th	1
9th	1
And so on	

D2.5 Reassignments will be based on the ranking available at 2000 that day regardless of protests or requests for redress not yet decided.

D2.6 If all fleets have not completed the same number of races by the end of a day, the fleets with fewer races will continue racing the following day until all fleets have completed the same number of races. All boats will thereafter race in the new fleets.

D2.8 If at the end of the qualifying series some qualifying series fleets have more race scores than others, any extra races will be abandoned & cancelled so that all boats in the qualifying series have the same number of race scores.

D3. FINAL SERIES

D3.1 Boats will be assigned to final series fleets based on their ranks in the qualifying series.

D3.2 There will be the same number of fleets in the final series as there were in the qualifying series.

D3.3 The final series fleets will be, as nearly as possible, of equal size but so that the Silver fleet is not larger than the Gold fleet. Boats with the best qualifying series ranks will race all final series races in the Gold fleet; boats with the next best qualifying series ranks will race in the Silver fleet.

D3.4 Any recalculation of qualifying series ranking after boats have been assigned to final series fleets will not affect the assignments except that a redress decision may promote a boat to a higher fleet.

D3.5 Different final series fleets need not complete the same number of final races. Boats assigned to Gold fleet will be ranked higher in the event than competitors assigned to Silver fleet and so forth, except for a boat disqualified from a final series race under RRS 6, or 69.
